About us

At Alberta Dreams , we give the gift of hope by turning Dreams into reality for children in Alberta facing severe chronic or life-threatening medical conditions. Formerly known as the Rainbow Society of Alberta, we rebranded as Alberta Dreams in May 2023, but our mission remains the same. Since our founding by volunteers in 1986, we have fulfilled over 1,230 Dreams in more than 320 communities across the province

A Dream come true offers more than just a joyful experience—it provides a much-needed escape from the challenges of hospital stays, medical appointments, treatments, and the constant worries that come with illness. For a child who is sick, this experience can be life-changing, offering renewed emotional and physical strength, as well as the courage to face their journey with hope. And it’s not just for the child—it’s a precious moment of relief and happiness for the entire family.

For nearly four decades, we have been making a lasting impact, fulfilling over 1,230 dreams since 1986. Our support extends to children across Alberta, including those in remote and Indigenous communities, and we have expanded our criteria to serve children with severe chronic medical conditions, ensuring that more children in need can experience joy and hope. Through continuous growth in corporate partnerships and community engagement, we remain committed to making dreams come true and creating meaningful change in the lives of children and their families.

As a local Alberta charity with just four employees, we are committed to keeping overhead and administrative costs to a minimum. By operating efficiently and eliminating unnecessary expenses, we ensure that \$0.95 of every dollar donated goes directly toward making dreams come true for Alberta children more than doubling the charitable impact compared to similar children’s charities. In our 39 year history, we’ve completed 1,230 dreams across 320 communities in Alberta, with the average cost of a wish being \$7,000.
